**Subject:** Proposed Plan " Superfund Site Area A"

Mary, first and foremost thanks to EPA for all the information regarding the proposed plan. I would like to request more time for community members to be able to comment on the recommendation EPA is proposing. I would like to recommend the date for extension be 21 May 2017. Many community members have not been informed of the proposed plan. It would be GREATLY appreciated if EPA took this into consideration.

Sincerely,

Roberto S.Jaramillo
